GALETTE

Just like Home

A Galette is a hand-made tart with a layered 100% butter crust, topped with tangy, whole fruit. Each bite has crispy, melt-in-your-mouth goodness and a uniquely delicious fruit filling. Serve a galette for dessert with ice cream or for an afternoon treat with coffee or tea.

OUR STORY

We believe in clean, simple, real food that delivers on taste. Our baked goods were created many years ago in the kitchen of the Robinhood Meetinghouse, the Gagne family's restaurant on the coast of Maine. We baked with simple ingredients we felt good about then and still do to this day.
